**YES!** - I want to train my mind to be my real wealth building partner! I want to be able to take full advantage of wealth building information so that I know I'm really doing all I can to achieve my financial goals.

I understand that my investment in the book<sup>1</sup> *Wealth Mentality: Program Yourself to Get and Keep the Wealth You Want* is completely protected by your "better-than-risk-free" guarantee. I have a full month to use the information. If, after doing the activities and applying the advice during this month, I don't believe that I have a useable assessment of my financial situation and don't know how to develop a real game plan for achieving the wealth I want, you will refund the cost of the book. And I can still keep the free bonus for my trouble. So no matter what I come out ahead.

On that "better-than-risk-free" basis, here is my order:
