- Prepare Your Own Wealth Action Plan
- Get Others To Help You Become Wealthy

THE BOOK

Wealth Mentality is the wealth building revelation that shows you how to develop a way of thinking that encourages wealth building thoughts and behavior. It teaches you how to "program" yourself to think about, recognize and act on wealth building opportunities. Once "programmed," your mind is free to focus on improving other important areas of your life. The end result is a wealthy, balanced and more fulfilling life.

THE AUTHOR

Sherrin Ross Ingram is head of the International Center for Strategic Planning, a consulting firm that helps businesses anticipate and position themselves to take advantage of economic trends and changes in their marketplace. She is also the author of *Wealth Mentality: Program Yourself to Get and Keep the Wealth You Want*, an attorney, successful entrepreneur, the former host of *The Wealth Management Program*, a weekly radio show, and is *Of Counsel* to Tressler, Soderstrom, Maloney & Priess, a national law firm based in Chicago, Illinois.
